

**Images of *Pet Budgies* that would fit the AWEBSA classification of “Pet Budgie”:**

Housed indoors in a beautiful cage

Toys to play with

Normally obtained at early age in order for it to be trained

Finger training

SO cute

Playing

Just check out my truck!

Scating?

Hide and seek? You could not resist saying: "How Tweet!" could you?

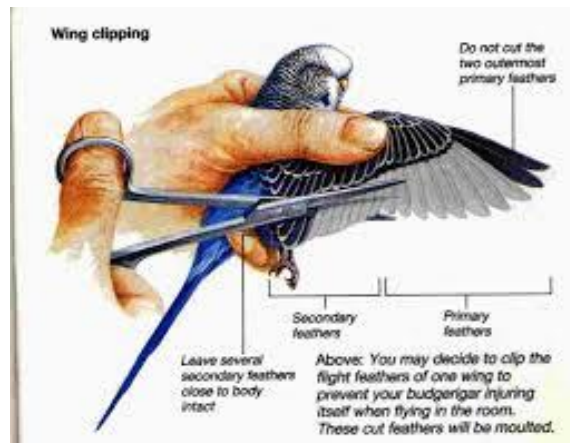

Be careful!

Snack time, no not the bird!

Clipping the wing to stop your budgie from flying away

More advice on wing clipping

(All the images courtesy of the google and the internet)

Send us a photo of that special moment with your pet budgie, the name of your budgie and Register as a Pet Budgie member at a nominal fee with AWEBSA and we will create a state of the art membership certificate for you and your pet.

Why not become part of a worldwide appreciation of the joy that budgies have brought literally to millions of people!
